BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, painful or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

ARREST 2 SOLDIERS IN WOMAN'S DEATH

One to Be Charged With Killing and the Other Detained as Witness.

CARLEISLE, Pa., Nov. 25.—An open verdict was returned late yesterday by the coroner's jury after an examination of the body of Mrs. Julia Drewry, who was shot and killed at her home here Monday night while entertaining two soldiers from the local field service school. The verdict said only that she died of gunshot wound and contained no suggestion as to who was responsible.

The two soldiers, who were arrested after an investigation by the district attorney of Cumberland county, were to have been given a hearing yesterday, but it was postponed. One of them, Lloyd Waller, of Sunbury, Pa., will be charged with the killing, the district attorney said, while the other, Jacob Pack, of Houton, will be held as a material witness.

Waller, while contending the shooting was accidental, is said by the police to have admitted the pistol, from which the fatal shot was fired, was in his hands at the time.

Belva Drewry, daughter of the dead woman, tells a different story from that of the soldiers. She said the soldiers had been at their home during the evening and that late in the night she retired to her room and went to sleep, leaving her mother down stairs with the soldiers.

Mrs. Drewry who, the police say, does not live with her husband, came to Carleisle about a week ago from Mechanicsburg, Pa.

The soldiers are attached to the field service school of the medical corps of the United States army here and are recruits.

SKIRTS TO BE LONGER, BUT NOT VERY MUCH

Dress Convention Will Not Hide Girls' Pretty Ankles.

ATLANTIC CITY, N. J., Nov. 25.—Damsel or dame with the pretty ankle will have no ground for complaint in spring dresses, if the members of the Associated Dress Industries of America, in convention here, have decreed correctly in their new modes. Nor will the clergy who have taken a fling at the adornment of the fair sex have food for criticism if mildady follows the dictates of fashion as places before them by the manufacturers.

According to Jay A. Einstein, of New York, skirts or dresses will carry a modest fullness, yet will be graced with a silhouette which must appeal to the stylish dressers. They will be longer, too, but not so long that they will be prudish.

One of the most perplexing elements in the spring styles entails sleeve lengths. There is a tendency to lengthen sleeves, but the question is, "how much?" Mr. Einstein said many dresses will be made with elbow-length sleeves, while others may reach nearly to the wrist.

COURTROOM THIEF GETS OVERCOAT OF WITNESS

BALTIMORE, Md., Nov. 25.—While Charles Hecht, was on the witness stand yesterday in criminal court testifying in a larceny case some one stole his overcoat.

Hecht said he left the garment on the bench where he had been sitting when called to testify. When he returned the coat had disappeared. The police were notified.

NEW CHURCH PLANNED.

HAGERSTOWN, Md., Nov. 25.—Instead of building a large addition to St. John's Lutheran Church, as was planned at a cost of about \$35,000, it is proposed to erect a new building at an estimated cost of between \$75,000 and \$100,000.
